36 MONTHS WARRANTY

The G Type Batteries are guaranteed 24 months unconditionally from date of sale by us, and will be repaired or **REPLACED WITHOUT COST** during this period if failure is attributed by us to defective workmanship or materials. To the foregoing 2 year warranty we agree to guarantee an additional 12 months, based on a standard 36 months pro rata charge.

18 MONTHS WARRANTY

The C Type Batteries are guaranteed for 12 months unconditionally, plus an additional 6 months based on a standard 18 months pro rata charge, under the same conditions as the above paragraph.

If used in commercial vehicles all guarantee periods will be reduced by one-half.

ent occurring in

Battery is removed from original vehicle or if vehicle ownership changes.

Battery is overcharged or acid level is allowed to recede below the top of the plates.

Battery is subjected to any other willful neglect or damage.

THIS SLIP:

must accompany battery when making any claim. No adjustment will be made without battery and this slip.
